Our People

We are committed to investing in our people and strengthening our community.

Rooted in Rochester, NY with a global perspective, we support local initiatives, foster a culture of inclusion, and create meaningful impact where we live and work.

OUR STORY | OUR PILLARS | OUR VALUES

Our Roots

Our story begins in the cobble stoned streets of a Sicilian patisserie, where the Vigneri family first fell in love with the art of confection.
In the scent of warm pastries and the flicker of old ovens, a legacy of sweetness began to rise. With hands guided by tradition and hearts full of dreams, the Vigneri name became known for its devotion to the craft.

Our Principals

Vision

Our vision is to be an industry leading chocolate brand known for craftsmanship, creativity, and care while building a farmers-first, sustainable future through ethical sourcing and responsible practices.

Focus

Our focus is to combine passionate people, innovative craft, and sustainable practices to create chocolate with purpose and care.

Mission

We passionately handcraft the highest-quality chocolates and deliver the sweetest, most memorable experiences to our customers.
